Subject: RE: New patent - inventorship?

Brian

Hmm. I'd put myself and my father actually - he's a stats professor so helped with the maths. Dr Paul Marston, 143 Longmeanygate, Midge Hall, Preston, Lancashire PR26 6TD, UK. [redacted]. Jon Fernyhough helped out a bit with the thinking in the computing side, but none of his ideas actually ended up in the end patent.

Thanks

j

Justin -

Who are the inventors for this application? Just you?

[redacted]

-Brian
