Dear counsel,

Patent Owner's email does not indicate that Patent Owner has met and conferred with Petitioner nor does it provide Petitioner's position as to Patent Owner's request. Please meet and confer with one another and provide Petitioner's position as to Patent Owner's request for expungement of the erroneously filed paper. Going forward, the Board expects the parties to meet and confer prior to emailing the Board and expects emails requesting a particular action to indicate each party's position as to the request.

Regards,

Tina Lee
