v.

VIDEOLABS, INC.,
Patent Owner

Inter Partes Review Case No. IPR2025-00305
U.S. Patent No. 8,291,236

PETITIONER’S MOTION TO WITHDRAW PETITION FOR *INTER PARTES* REVIEW

Pursuant to the Board’s email authorization dated February 20, 2025, Petitioner ASUSTeK Computer Inc. (“ASUS”) files this motion to withdraw the Petition in this proceeding through dismissal.

The Board has broad discretion to dismiss a petition under 37 C.F.R. § 42.71(a). (“The Board may take up petitions or motions for decisions in any order, may grant, deny, or dismiss any petition or motion, and may enter any appropriate order.”). *See also* § 42.5(a) (“The Board may determine a proper course of conduct in a proceeding for any situation not specifically covered by this part[.]”)

On December 17, 2024, ASUS filed three petitions for inter partes review. IPR2025-00304, -00305, -00306, Paper 1. Patent Owner has not filed Preliminary Responses, and the Board has not issued Institution Decisions in these related proceedings. Concurrent with each of its petitions, ASUS filed Motions for Joinder with related *inter partes* reviews of U.S. Patent No. 8,291, 236 (“the ’236 Patent”) in *Roku, Inc. v. VideoLabs, Inc.*, IPR2024-01023, -01024, and -01025 (“the Roku Proceedings”) that were all instituted on December 5, 2025.

After ASUS filed its petitions and Motions for Joinder, the parties to the Roku Proceedings filed a Joint Motion to Terminate Proceeding after entering into a settlement covering all disputes related to the ’236 Patent. IPR2024-01023, -1024, -01025, Paper 14 (P.T.A.B. December 23, 2024). The Board granted the Joint Motions and terminated all three proceedings in accordance with 35 U.S.C. § 317(a). IPR 2024-01023, Paper 16 (P.T.A.B. January 21, 2025). In its termination decisions for the Roku Proceedings, the Board noted, “[w]e recognize that, if we terminate this proceeding, the [ASUS] motions for joinder may be moot and the petitions may be barred under 35 U.S.C. § 315(b).” IPR2024-01023, -01024, -01025, Paper 16 at 2. Now that the Roku Proceedings have been terminated, ASUS’s joinder motions and petitions are moot and dismissal of this Petition is appropriate.

ASUS therefore requests withdrawal of this Petition in order to preserve the resources of the Board and the parties.
