

FeedDemon 3 - Free RSS Reader for Windows

FeedDemon is the most popular RSS reader for Windows, with an easy-to-use interface that makes it a snap to stay informed with the latest news and information.

Google Reader Synchronization

Use FeedDemon at home, your office, or anywhere you go and keep your feeds, tags and shared items synched between locations.

Sharing

FeedDemon's simple single-click sharing lets your friends subscribe to your favorite articles.

Tagging

Assign your own keywords to items, making it easy to classify and locate articles you've previously read.

Watches

Tell FeedDemon to let you know when your keywords appear in any feed you're subscribed to.

Search Feeds

Get alerted when your keywords appear in any feed, regardless of whether you're subscribed to it.

Podcasts

Let FeedDemon automatically download audio files and copy them to your iPod or other media device.
