Subject: RE: [Bambu] 713 IPR Stipulation

Counsel,

Shenzhen Tuozhu Technology Co., Ltd. filed a petition for IPR against claims of U.S. Patent No. 9,421,713 (the "'713 Patent") and that proceeding has been assigned AIA Review No. IPR2025-00321. If IPR is instituted in IPR2025-00321, unless institution is later vacated, reversed or otherwise withdrawn by rehearing or Director Review, Shenzhen Tuozhu and the other defendants named in the related District Court Cases No. 2:24-cv-00644 (E.D. Tex.) and 1:24-cv-01511 (W.D. Tex.) stipulate that they will not pursue in the 2:24-cv-00644 case or the 1:24-cv-01511 case, against the '713 Patent, the specific grounds asserted in IPR2025-00321 or any other ground that was raised or could have been reasonably raised in an IPR (i.e., any ground that could be raised under §§ 102 or 103 on the basis of prior art patent or printed publications).

Best regards,
Michael

Subject: [Bambu] 713 IPR Stipulation

Counsel,

Shenzhen Tuozhu Technology Co., Ltd. is filing a petition for IPR challenging claims of U.S. Patent No. 9,421,713 (the "'713 Patent"). If IPR is instituted based on this petition, Shenzhen Tuozhu and the other defendants named in the related District Court Case No. 2:24-cv-00644 (E.D. Tex.) stipulate that, while such IPR is pending, they will not pursue in the 2:24-cv-00644 case, against the '713 Patent, the same grounds of invalidity raised in this petition.

Best regards,
Michael
