Case Nos.: IPR2025-00332, -00334

Dear Honorable Board,

The Parties jointly notify the Board that the Parties have reached an agreement in principle that resolves all matters in controversy in the IPR matters relating to IPR2025-00332, -00334.

To allow the Parties to memorialize their agreement and file appropriate dismissal papers, and to minimize the burden on the Director, the Board, and the Parties, the Parties jointly ask that the Board stay these proceedings and all remaining deadlines by a month, including the deadlines for Petitioner's opposition to Patent Owner's request for discretionary denial and Patent Owner's Preliminary Response in IPR2025-00332 and -00334 to **August 11 and August 16, respectively.**

The Parties submit that good cause exists for granting this request, as set forth above. The request is not made for purposes of delay but rather so that justice may be served. The Parties have met and conferred and are jointly seeking the relief sought in this request. See also *Samsung Electronics Co Ltd et al. v. Koninklijke Kpn NV*, IPR2025-00512, Ex. 3101

(holding Director's decision on discretionary denial in abeyance for 45 days); *Samsung Electronics Co Ltd et al. v. Koninklijke Kpn NV*, IPR2025-00504, Ex. 3101 (granting parties' joint request to extend the deadline for Petitioner's opposition to Patent Owner's request for discretionary denial and Patent Owner's Preliminary response for 45-days); *LG Elecs., Inc. v. Maxell, Ltd.*, IPR2025-00392, Ex. 3102 (granting a three-week extension of all case deadlines—including any bifurcated briefing and the Director's discretionary-denial decision—to give the parties time to finalize their settlement and seek authorization to file a joint motion to terminate).

The Parties are available for a conference call, should the Board find it helpful.

Respectfully submitted,
Counsel for Petitioner
