Subject: RE: Case Nos.: IPR2025-00332, -00334
Date: Tuesday, August 5, 2025 3:31:05 PM

The parties are authorized to file joint motions to terminate in IPR2025-00332 and -00334. The joint motions should state, if true, that aside from the written agreements concurrently filed with the Board there are no other agreements, oral or written, between the parties made in connection with, or in contemplation of, the termination of the proceedings. The parties are also authorized to file in each proceeding a joint request to treat the settlement agreement(s) as business confidential information and to keep the settlement agreement(s) separate from the files of the involved patents, under 37 C.F.R. § 42.74(c).

The parties should be mindful of the requirements set forth in 37 C.F.R. § 42.74 that any agreement between them made in connection with the termination of the proceedings must be in writing and a true copy must be filed with the Board, and the parties should include a statement in the motion that they have complied with these requirements. Confidential settlement agreements must be filed electronically in the Patent Trial and Appeal Case Tracking System (P-TACTS) as an exhibit with the “Availability” restricted to accordingly.

Case Nos.: IPR2025-00332, -00334

Dear Honorable Board,

The Parties jointly request authorization to file: (1) a motion to terminate in IPR2025-00332 and IPR2025-00334, and (2) a request to treat as business confidential information a copy of the settlement agreement to be filed with the motion to terminate in IPR2025-00332 and

IPR2025-00334.

The Parties note that in IPR2025-00332, Petitioner's deadline to file an opposition to Patent Owner's request for discretionary denial is due on August 11, 2025; and Patent Owner's deadline to file a preliminary response is also due on August 11, 2025. See IPR2025-00332, EX3102. In IPR2025-00334, Petitioner's deadline to file an opposition to Patent Owner's request for discretionary denial is due on August 16, 2025; and Patent Owner's deadline to file a preliminary response is also due on August 16, 2025. See IPR2025-00334, EX3103. The Parties respectfully request authorization to hold these upcoming deadlines in abeyance while this request for termination is considered, which will preserve considerable resources by avoiding the need for the Parties to continue preparing responses.

The Parties are available for a conference call should the Board find it helpful.

Respectfully submitted,

Taeg Sang Cho
Counsel for Petitioner

Brandon Moore
Counsel for Patent Owner
