Dr. Hernandez,

Please see the attached orders from the Board instituting the IPRs and issuing a scheduling the case.

The Board also denied without prejudice the motion to withdraw and asked for additional evidence and information regarding your termination of our representation in these IPRs. The Board gave us 10 days to resubmit the motion. We will promptly prepare and file the renewed motion to withdraw in accordance with the Board's guidance.

In its order on the motion to withdraw, the Board also instructed us to inform **you that you must have counsel in these IPRs because of EGLA being an exclusive licensee**. The Board's order also requires us to inform you "that (1) [Patent Owner] "cannot participate in this proceeding without counsel to represent it, and (2) its **failure to participate in this proceeding may be considered abandonment of the contest, resulting in an adverse judgement against the Patent Owner.**" See IPR2025-00349, Paper 18 at 4 (citing 37 C.F.R. § 42.73(b)(4)) (emphasis added).

The Board further ordered that "Counsel must file (1) an updated mandatory notice stating whether EGLA Corp. is the exclusive licensee with all substantial rights in the challenged patents and (2) a copy of the license agreement referenced in the Second Amended Complaint in the Florida Litigation." As a result, we will draft the updated mandatory notice and inform the Board that the license agreement was an oral one and therefore there is no agreement that can be filed – they asked that a copy of the agreement to be filed. Please also let us know if you have substitute counsel and we will update the mandatory notice appropriately.

Please let us know if you have any questions.

Regards,
Greg
