Dear Director Stewart,

On behalf of iRhythm Technologies, Inc., I respectfully write to provide notice that iRhythm expects to seek Director Review of the recent discretionary denial decisions in the above-captioned matters.

Further, iRhythm respectfully requests permission for third parties to file amicus briefs in connection with its petition. iRhythm has received a number of inquiries from prospective

amicus filers who have an interest in the outcome of the above proceedings, as the issues presented have broad implications for innovation and patent policy. We believe that amicus submissions would provide helpful context and perspective that may assist the Office in its review.

iRhythm presently expects to submit its request on or before Thursday, July 3, and understands that potential amicus filers request a deadline of Thursday, July 17 to submit their amicus briefs.

Please let us know if there are any specific procedures or additional information needed to facilitate this request.

Thank you for your time and consideration.

Sincerely,
Robert Counihan

Counsel for Petitioner iRhythm Technologies, Inc.
