Honorable Board,

The discretionary briefing in the above captioned IPRs was completed yesterday with the filing of Petitioners' opposition briefing. In that briefing, the Petitioners presented a new prior art stipulation and referenced their motion to stay (filed after the PO's opening brief). In the interests of fairness, PO requests a 5-page Reply to address these intervening developments. Mindful of the scheduling demands on the Director, if granted, PO will submit its brief by next Wednesday May 7<sup>th</sup>.

Petitioners indicated that they would not oppose PO's request if granted a Sur-reply of equal length. PO opposes such a further briefing opportunity as Petitioners have already addressed these issues in their opposition filings.
