<http://www.automation.schneider-electric.com/as-guide/EN/pd...>

It's better to keep your mouth shut and give the impression that you're stupid than to open it and remove all doubt.

Re: Link about Starting & protecting AC motors

IN fact, the whole site now I'm looking further <http://www.automation.schneider-elec...tion-guide.htm>

It's better to keep your mouth shut and give the impression that you're stupid than to open it and remove all doubt.

Peter, you have been busy. Great links
Thanks

The difference between genius and stupidity is that genius has its limits.

Re: Link about Starting & protecting AC motors

Why can't lecturers explain things about pumps as clearly as commercial ventures do 🤔
Thanks Peter_1, there is always so much more to grasp on physics and technology, somehow,
somewhere it will ring a bell and solve something :)
I like the short article format... about 15-30 mins then zzzzzzz.
