THE PATENT 300® REPORT

Unveiling the World's Leading Innovators

2025 Edition

Key Insights:

- Ranking by Total US Utility Patents in 2024
- Patent Prosecution Benchmarking Statistics
- Industry Rankings
- Geographic Rankings

Prepared Exclusively by Harrity Analytics | All Rights Reserved

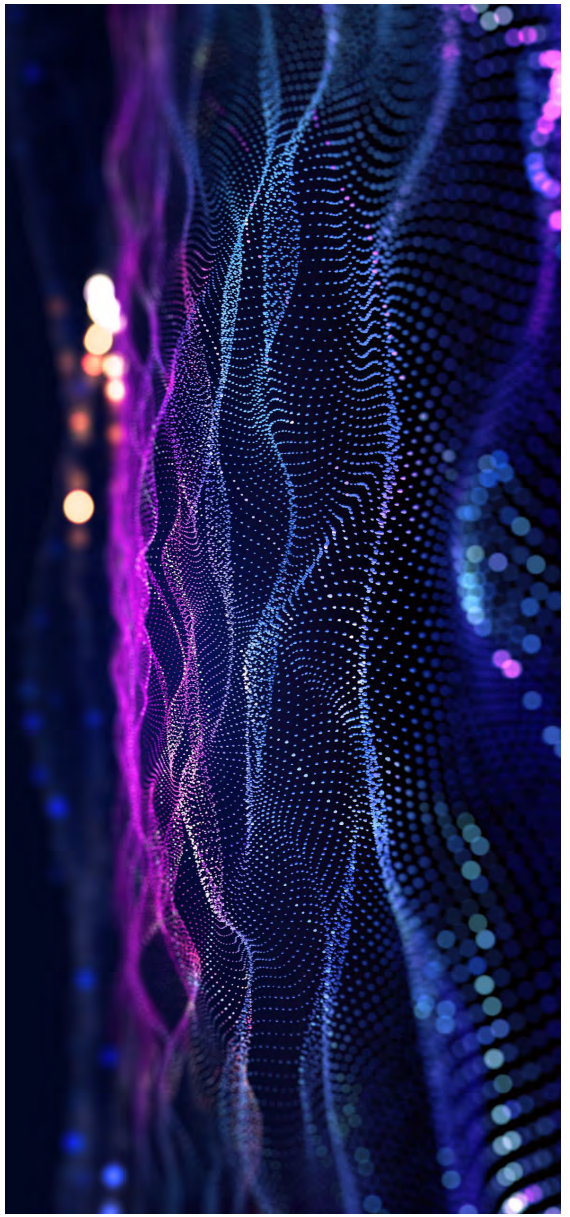

2025 PATENT 300® REPORT

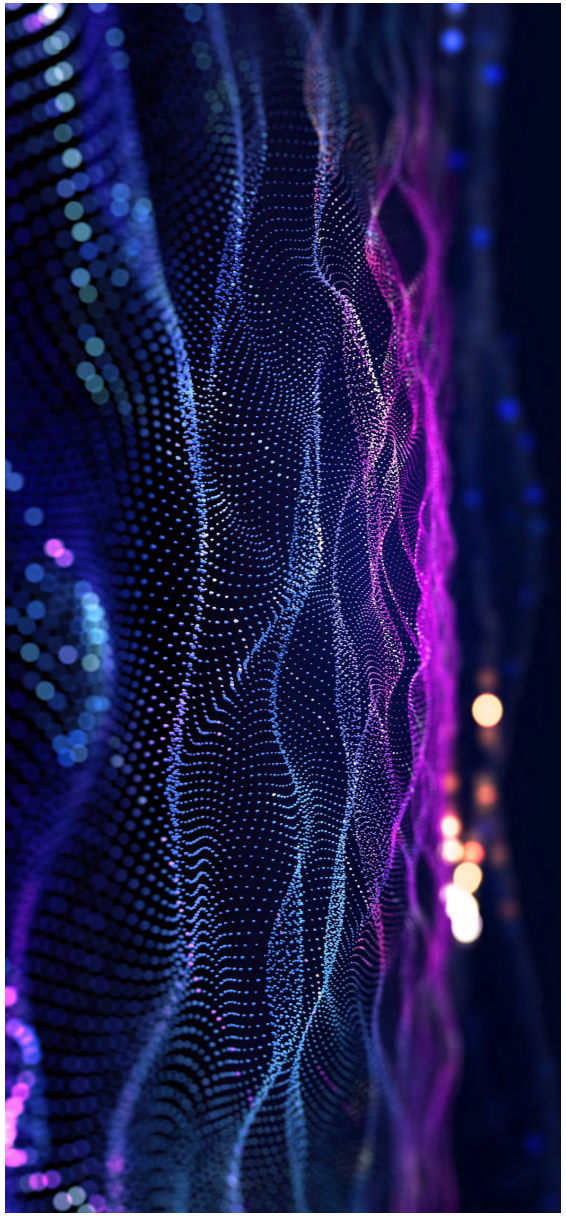

Rankings, Metrics, and Insights for leading Patent Innovators

The **2025 Patent 300 Report** is the definitive analytics resource for understanding the innovation landscape among the top 300 organizations obtaining patents in the United States. Packed with unparalleled insights, this report is designed to empower patent professionals, business leaders, and innovators with the data they need to stay ahead of the competition.

What You'll Find Inside

- **Company-Level Insights**: Detailed analytics on patent activity for each of the top 300 organizations, showcasing trends, growth areas, and standout performers.
- **Industry Trends**: Explore which industries are driving innovation and how patent activity aligns with market shifts.
- **Geography Spotlights**: In-depth views into key countries and the organizations leading the charge in innovation.

2025 PATENT 300® REPORT

Rankings, Metrics, and Insights for leading Patent Innovators

Why This Report Matters

The Patent 300 Report isn't just a list—it's a roadmap for navigating the future of innovation. By examining patent trends across companies, industries, and geographies, this report provides actionable insights to:

- Identify key players and rising stars in the innovation ecosystem.
- Benchmark your organization's performance against industry leaders.
- Discover worldwide competitors and assess market opportunities.

- Whether you're an in-house counsel, a law firm partner, or a business leader seeking competitive intelligence, the **2025 Patent 300 Report** is your go-to resource for data-driven decision-making.

TABLE OF CONTENTS

1) Key Industries & Geographies

2) 2025 Patent 300® Ranking (Total Patents)

3) 2025 Patent 300® Ranking (Alphabetical)

4) Industry Rankings

5) Geography Rankings
