v.

VALTRUS INNOVATIONS LTD.,  
Patent Owner

---

Case No. IPR2025-00418  
Patent No. 6,871,264

---

**Power of Attorney for Patent Owner**

Pursuant to 37 C.F.R. § 42.10(b), Patent Owner Valtrus Innovations Ltd. hereby appoints the Practitioners associated with REICHMAN JORGENSEN LEHMAN & FELDBERG LLP, Customer Number 184647, as its attorneys to prosecute the above-captioned *inter partes* review of U.S. Patent No. 6,871,264, and to transact all business in the United States Patent and Trademark Office concerned therewith, including the appointment of lead and back-up counsel. Current lead and back-up counsel, along with service information, are indicated as follows:

| Lead Counsel                                                                                                                                                                                                                                                       | Back-up Counsel                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
