Case IPR2025-00432  
U.S. Patent No. 11,575,148

---

**PETITIONER'S REQUEST FOR ORAL ARGUMENT**

Pursuant to 37 C.F.R. § 42.70(a) and the Scheduling Order (Paper 11), Petitioner Zhuhai CosMX Battery Co., Ltd. (“Petitioner”) requests oral argument on June 4, 2026, on all instituted grounds of unpatentability (*see* Paper 10), issues raised in the parties’ briefing, any procedural and/or evidentiary issues, any claim construction issues, and any other issues that may affect the Board’s determination in this proceeding. Petitioner also requests oral hearing on any issues identified by Patent Owner in its Request for Oral Hearing (Paper 30) and to-be-filed Sur-Reply.

Petitioner requests 60 minutes per side for oral argument. To the extent the Board schedules the hearing to last less than or more than 120 minutes of total argument time, however, Petitioner requests that it be given half the length of the hearing.

Petitioner requests the ability to use audio-visual equipment to display substantive and demonstrative exhibits, including the use of a computer, projector, and screen for displaying documents. Petitioner requests that one counsel at the counsel’s table be allowed to use their computers at the hearing (in addition to the counsel making the argument using a computer to show the demonstratives) to avoid the need for the parties to bring entire paper copies of the record into the hearing room and to facilitate efficient answering of panel questions.

Respectfully submitted,

LEE & HAYES, P.C.
