RE: Charles River Laboratories, Inc v. Seikagaku Corporation  
Case No. IPR2025-00440

Honorable Board,

Section B of the Scheduling Order entered in this proceeding provides that the parties may not stipulate to a different date from the portions of Due Dates 2 & 3 related to Petitioner's Opposition to Patent Owner's Motion to Amend, and Patent Owner's Reply to an opposition to a motion to amend (or Patent Owner's revised motion to amend) without prior authorization from the Board.

Due to prior teaching commitments, one of Patent Owner's experts in the above related matters is unavailable to sit for a deposition until February 12-13, 2026. In view of Patent Owner's pending Contingent Motion to Amend in IPR2025-00440, and given that Petitioner's Reply Brief and the Opposition to Patent Owner's Motion to Amend are currently due on February 23, 2026, Petitioner and Patent Owner have conferred and reached an agreement regarding an extension of one week (to March 2, 2026) for the filing of Petitioner's Reply and Opposition to Petitioner's Motion to Amend and Patent Owner's subsequent briefing currently due on April 6, 2026 (to April 13, 2026).

In accordance with the above noted provision, the parties respectfully request a one-week extension to both Due Dates 2 & 3 in IPR2025-00440, as outlined in the table below. The appropriate notice will be uploaded, if authorized.

| Due Date                                                                                                                                    | Current Due Date  | Proposed Due Date |
|---------------------------------------------------------------------------------------------------------------------------------------------|-------------------|-------------------|
| Due Date 2<br>Petitioner's Reply to Patent Owner's Response<br>Petitioner's Opposition to Motion to Amend                                   | February 23, 2026 | March 2, 2026     |
| Due Date 3<br>Patent Owner's Sur-Reply<br>Patent Owner's Reply to Opposition to Motion to Amend (or Patent Owner's Revised Motion to Amend) | April 6, 2026     | April 13, 2026    |
