Counsel –

The parties' request for authorization to file a joint motion to terminate is *granted*. Any motion must be filed on or before Monday, August 4, 2025.

The parties are also authorized to file a request to keep the settlement agreement confidential. The parties should be mindful of the requirements set forth in 35 U.S.C. § 327(b) and 37 C.F.R. § 42.74 that any agreement between the parties made in connection with the termination of the proceeding must be in writing and a true, unredacted copy must be filed with the Board. To the extent that the parties wish to maintain some level of confidentiality for such an agreement, please refer to the procedures set forth in 37 C.F.R. § 42.74(c).

Dear Members of the Board,

We write on behalf of both parties in AIA Review No. IPR2025-00452. The parties have reached a settlement resolving their disputes regarding U.S. Patent No. 12,053,607.

Accordingly, the parties seek authorization to file a joint motion to terminate the proceeding pursuant to 37 C.F.R. §§ 42.72 and 42.74, along with the required settlement and a request to treat the agreement as business confidential information.

If the Board requires any additional information or would like to schedule a meeting with the parties, please let us know.
