Counsel,

The parties are authorized to file a joint motion to terminate in IPR2025-00464, 465, and 466. The motion must be filed in each case no later than September 4, 2026.

The parties are reminded of their obligation under 35 U.S.C. § 317(b) to file a copy of the settlement agreement and any collateral agreements (including any licensing agreements) with the Board. In the motion, the parties should also include a statement that there are no other agreements, oral or written, between the parties made in connection with, or in contemplation of, the termination of the proceeding, assuming such statement is correct. If the parties cannot make such a statement, the other agreement(s) should be filed pursuant to 37 C.F.R. § 42.74. The parties are also authorized to file a joint request to treat the settlement agreement as business confidential information. Any agreement(s) subject to the request must be filed electronically as an exhibit (uploading as "Parties and Board Only").

Dear Honorable Board,

I write on behalf of Petitioner in the above captioned matters. Petitioner requests authorization to file a motion to terminate to IPR2025-00464, -00465, and -00466 pursuant to 35 U.S.C. §317(a), as Petitioner and Patent Owner have settled their disputes related to these IPRs. In connection with the motion, Petitioner will file a true copy of the written settlement agreement(s) and a request that the agreement(s) be treated as business confidential information and kept separate from the files of the involved patents.

The parties do not believe that a conference call is necessary, but counsel are available at the Board's convenience.

Petitioner has conferred with Patent Owner, and Patent Owner does not oppose Petitioner's request.

Regards,

James Murphy
