This searchable database contains all recorded Patent Assignment information open to the public from August 1980 to the present. When the USPTO receives relevant information for its assignment database, the USPTO puts the information in the record and does not verify the validity of the information. Recordation is a ministerial function, the USPTO neither makes a determination of the legality of the transaction nor the right of the submitting party to take the action. This page contains documents that have been uploaded by the public and may not be Section 508 compliant.
