partnership between the City of Taylor and Samsung has brought investment in our parks, our nonprofits, and our students with their community grants and internship programs. I'm excited and optimistic for Taylor's future and the future of our students, and I look forward to our continued partnership with Samsung on sustainable growth for our city and the company."

Williamson County, Texas. Their commitment to employees, the environment and their local community is inspiring, and we are excited for the possibilities this partnership will bring to Taylor and Williamson County.
