Dear Honorable Board,

Patent Owner respectfully requests authorization to file a 3-page reply brief in support of its request for discretionary denial, to address Petitioner's stipulation in IPR2025-00482 to not pursue certain grounds in the parallel district court proceeding. (See Paper No. 13 at 11-12.) Petitioner served its stipulation after Patent Owner filed its discretionary denial brief, and further after consulting with and obtaining Patent Owner's non-opposition to such a stipulation.

Patent Owner conferred with counsel for Petitioner (copied on this email), and Petitioner does not oppose Patent Owner's request for a 3-page reply brief.

Best regards,
