

Text Order DENYING 53 Motion to Stay Case entered by Judge Robert Pitman. Given that the Court expects to resolve Defendants' motion to transfer well in advance of the scheduled Markman hearing, the Court finds that Defendants have not shown that they will be unduly harmed absent a stay or that a stay will conserve judicial resources. Accordingly, IT IS ORDERED that Defendants' motion to stay is DENIED. (This is a text-only entry generated by the court. There is no document associated with this entry.)
