Manuals, drivers and support

ClickShare CX-30 enables wireless conferencing in medium-sized meeting spaces. When you walk into the meeting room, ClickShare automatically connects you to room devices like cameras, mics, speakers, sound bars and displays.

Start a meeting from your laptop within seconds, using your preferred video conferencing platform. Make hybrid meetings easy, with just one click on the ClickShare Button or the ClickShare App, both for employees and guests.

Download the ClickShare app

Simply install the ClickShare Desktop App to wirelessly conference and share content

- Connect instantly to all the technology in the room
- Collaborate better thanks to a set of advanced, smart features

If you want to experience wireless conferencing via the ClickShare App, install the MSI-file and ask your IT administrator for additional rights if needed.
