**DEFENDANTS’ NOTICE OF WITHDRAWAL OF THEIR
MOTION FOR ONGOING ROYALTY**

Defendants Yealink (USA) Network Technology Co., Ltd. and Yealink Network Technology Co., Ltd. (together, “Yealink”) hereby notify the Court that they withdraw their Opposed Motion for Ongoing Royalty (Dkt. 243), filed January 13, 2026.

On November 19, 2025, the jury returned a verdict awarding \$907,360.00 in damages for Yealink’s admitted infringement of 75 Asserted Claims from six Asserted Patents: U.S. Patent Nos. 10,762,002, 10,795,832, 10,904,103, 11,258,676, 11,403,237, and 11,422,951. Yealink’s Motion for Ongoing Royalty requested that the Court set an ongoing royalty of at most \$54 per WPP30 dongle sold. As explained in Yealink’s motion, Yealink’s proposed ongoing royalty was expressly tethered to the jury’s verdict, which was based on infringement of all 75 asserted claims and assumed any future infringement would likewise involve the same asserted claims.

On April 7, 2026, the Patent Trial and Appeal Board found 35 asserted claims across four asserted patents, including 8 of the 10 asserted independent claims, unpatentable in four Final Written Decisions. *See* Dkt. 263.

In January and February 2026, the U.S. Patent and Trademark Office (“USPTO”) ordered reexamination of all Asserted Claims not challenged in IPRs. On June 5, 2026, the USPTO rejected all challenged claims of U.S. Patent No. 10,904,103.

In light of those Final Written Decisions, the assumptions underlying Yealink’s motion – namely, infringement of all 75 asserted claims – no longer hold. Therefore, Yealink no longer seeks the relief requested in its motion and therefore withdraws Dkt. 243 in its entirety.

Date: June 19, 2026
