Dear Board:

Patent Owner respectfully requests that the Board expunge certain papers that the Patent Owner filed in error as follows:

IPR2025-00525 ('959 patent)	Paper 41
IPR2025-00530 ('199 patent)	Paper 40

Patent Owner discussed this request with the Petitioners and they kindly do not object.

As background to the issue, on Monday July 27, 2026, in each of the IPRs identified above, Patent Owner erroneously filed hearing demonstratives as the above-identified papers, respectively. Thereafter, on the same day, the Patent Owner also filed those demonstratives correctly, as exhibits, and served those exhibits to the Petitioners. Patent Owner apologizes for the error and the inconvenience this may have caused the Board and the Petitioners.

If the Board has any questions or concerns, please let me know. Thank you and best regards,
Suhrid
