Counsel – your joint request to extend the deadline for Petitioner’s opposition to Patent Owner’s request for discretionary denial and Patent Owner’s Preliminary response is granted and the papers are now due on July 6, 2025. A Board panel will handle authorizing your joint motion to terminate the proceeding.

Your Honors,

The parties jointly request authorization to file a request to terminate IPR2025-00558. The parties note that, besides an agreement to send this email (including a stipulation by Petitioners that they will not file another IPR petition against the '911 Patent), this request is not associated with a corresponding settlement agreement.

The parties also note that Petitioner’s deadline to file an opposition to Patent Owner’s request for discretionary denial is due June 6, and Patent Owner’s deadline to file a preliminary response is also due June 6. The parties respectfully request authorization to hold these upcoming deadlines in abeyance while this request for termination is considered, which will preserve considerable resources by avoiding the need for the parties to continue preparing responses. *See Samsung Electronics Co. Ltd. v. Anonymous Media Research Holdings, LLC*, IPR2024-01350, Paper 8, 2 (PTAB Dec. 2, 2024) (extending Patent Owner’s preliminary response deadline pursuant to 35 U.S.C. § 42.5(b)).

The parties can make themselves available for a conference call, should the Board find it helpful.

Respectfully submitted,

Daniel Zeilberger
Counsel for Petitioner

Stephen Zinda
Counsel for Patent Owner
