Re: Notice of Termination, Effective Immediately

Messrs. Grooms and Bencen:

As you are aware, this firm represents ISE Professional testing & Consulting Services, Inc. ("ISE"), and Rynne Early. This letter is in reference to that certain "License Agreement between ISE and Synogen" dated September 23, 2014 by and among ISE as licensor and Synogen Management Group, Inc. ("Synogen") as licensee (the "License Agreement").

As you are further aware, ISE provided Synogen written notice on November 7, 2018 of, among other things: (i) Synogen's failure to provide annual development reports from Synogen's sublicensees, when received, as required by Section 2.2.3 of the License Agreement (the "Sublicense Breach"); (ii) Synogen's failure to provide an annual report as required by Section 3.2 of the License Agreement (the "Report Breach"); and (iii) Synogen's failure to provide adequate proof of insurance coverage for Synogen, as required by Section 14.2 of the License Agreement (the "Insurance Breach" and collectively the with the Sublicense Breach and the Report Breach, the "Breaches"). Each of these Breaches constitute a breach of the License Agreement.

The period to cure these Breaches expired on December 22, 2018. Synogen has failed to cure any of the Breaches.

Based on the Breaches detailed above and in accordance with Section 11 of the License Agreement, ISE hereby provides formal notice of its termination of the License Agreement. This termination is effective as of the date of this letter.

Nothing in this letter shall be deemed as a waiver of any rights or remedies available to ISE, whether under contract, common law, or otherwise and ISE respectfully reserves all rights.

Very truly yours,

Erika C. Birg
