Patent Owner Optimum Imaging Technologies LLC and Petitioner Samsung Electronics Co., Ltd. and Samsung Electronics America, Inc. (collectively, “the Parties”) have settled their disputes. Pursuant to 35 U.S.C. § 317 and 37 C.F.R. § 42.74, the Parties jointly request that the Board treat EXS. 2006-2007 as business confidential information and keep EXS. 2006-2007 separate from the patent files.

EX. 2006 is concurrently filed as “Board and Parties Only” and EX. 2007 is concurrently filed as “Board Only.” EXS. 2006-2007 contain highly sensitive business confidential information that would substantially harm the Parties’ business interests if publicly disclosed. There are also terms in the agreements that require confidential treatment and limit public disclosure. As such, the Parties jointly request that EXS. 2006-2007 be treated as confidential business information and kept separate from the patent files.²

For at least the foregoing reasons, the Parties respectfully request that EXS. 2006-2007 be treated as business confidential information and kept separate from the patent files.

² Petitioner joins this request based on representations made by Patent Owner regarding EX. 2007.
