COUNT VII: [ALLEGED] INFRINGEMENT OF U.S. PATENT NO. 11,270,174

228. Samsung incorporates by reference its responses to paragraphs 1-44 as if fully set forth herein. Samsung denies all remaining allegations of Paragraph 228.

229. To the extent that the allegations of Paragraph 229 set forth legal conclusions, no

response is required. Samsung otherwise denies the remaining allegations of Paragraph 229.

230. To the extent that the allegations of Paragraph 230 set forth legal conclusions, no response is required. Samsung otherwise denies the remaining allegations of Paragraph 230.

231. To the extent that the allegations of Paragraph 231 set forth legal conclusions, no response is required. Samsung otherwise denies the remaining allegations of Paragraph 231.

232. Samsung lacks knowledge or information sufficient to form a belief as to the truth of the allegations in Paragraph 232, and on that basis, denies them.

233. Samsung incorporates by reference its response to paragraph 50 as if fully set forth herein. To the extent that the allegations of Paragraph 233 set forth legal conclusions, no response is required. To the extent a response is required, the remaining allegations of Paragraph 233 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations, and each cited exhibit speaks for itself. Thus, Samsung lacks knowledge or information sufficient to form a belief as to the truth of the remaining allegations in Paragraph 233, and on that basis, denies them.

234. To the extent that the allegations of Paragraph 234 set forth legal conclusions, no response is required. To the extent a response is required, the remaining allegations of Paragraph 234 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations, and each cited exhibit speaks for itself. Thus, Samsung lacks knowledge or information sufficient to form a belief as to the truth of the remaining allegations in Paragraph 234, and on that basis, denies them.

235. To the extent that the allegations of Paragraph 235 set forth legal conclusions, no response is required. To the extent a response is required, the remaining allegations of Paragraph 235 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations, and each cited exhibit speaks for itself. Thus, Samsung lacks knowledge or information sufficient to

form a belief as to the truth of the remaining allegations in Paragraph 235, and on that basis, denies them.

236. To the extent that the allegations of Paragraph 236 set forth legal conclusions, no response is required. To the extent a response is required, Samsung admits that certain Samsung Galaxy S21 5G smartphones contain a Qualcomm Snapdragon 888. Otherwise, the remaining allegations of Paragraph 236 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations, and each cited exhibit speaks for itself. Thus, Samsung lacks knowledge or information sufficient to form a belief as to the truth of the remaining allegations in Paragraph 236, and on that basis, denies them.

237. To the extent that the allegations of Paragraph 237 set forth legal conclusions, no response is required. To the extent a response is required, Samsung admits that the Samsung Galaxy S21 5G smartphone includes memory storage and RAM. Otherwise, the remaining allegations of Paragraph 237 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations, and each cited exhibit speaks for itself. Thus, Samsung lacks knowledge or information sufficient to form a belief as to the truth of the remaining allegations in Paragraph 237, and on that basis, denies them.

238. Samsung incorporates by reference its responses to paragraphs 63-64 as if fully set forth herein. To the extent that the allegations of Paragraph 238 set forth legal conclusions, no response is required. To the extent a response is required, Samsung admits that the Samsung Galaxy S21 smartphone contains an antenna. Otherwise, the remaining allegations of Paragraph 238 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations, and each cited exhibit speaks for itself. Thus, Samsung lacks knowledge or information sufficient to form a belief as to the truth of the remaining allegations in Paragraph 238, and on that basis, denies them.

239. Samsung incorporates by reference its responses to paragraphs 51-57 as if fully set forth herein. To the extent that the allegations of Paragraph 239 set forth legal conclusions, no response is required. To the extent a response is required, Samsung admits that certain Samsung Galaxy S21 5G smartphones contain a NXP SN110U. Otherwise, the remaining allegations of Paragraph 239 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations, and each cited exhibit speaks for itself. Thus, Samsung lacks knowledge or information sufficient to form a belief as to the truth of the remaining allegations in Paragraph 239, and on that basis, denies them.

240. Samsung incorporates by reference its responses to paragraphs 58-62 as if fully set forth herein. Samsung lacks knowledge or information sufficient to form a belief as to the truth of the allegations in Paragraph 240, and on that basis, denies them.

241. Samsung incorporates by reference its responses to paragraphs 70-76 as if fully set forth herein. To the extent that the allegations of Paragraph 241 set forth legal conclusions, no response is required. To the extent a response is required, the remaining allegations of Paragraph 241 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations, and each cited exhibit speaks for itself. Thus, Samsung lacks knowledge or information sufficient to form a belief as to the truth of the remaining allegations in Paragraph 241, and on that basis, denies them.

242. To the extent that the allegations of Paragraph 242 set forth legal conclusions, no response is required. To the extent a response is required, the remaining allegations of Paragraph 242 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations, and each cited exhibit speaks for itself. Thus, Samsung lacks knowledge or information sufficient to form a belief as to the truth of the remaining allegations in Paragraph 242, and on that basis, denies them.

243. To the extent that the allegations of Paragraph 243 set forth legal conclusions, no response is required. To the extent a response is required, the remaining allegations of Paragraph 243 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations, and each cited exhibit speaks for itself. Thus, Samsung lacks knowledge or information sufficient to form a belief as to the truth of the remaining allegations in Paragraph 243, and on that basis, denies them.

244. To the extent that the allegations of Paragraph 244 set forth legal conclusions, no response is required. To the extent a response is required, the remaining allegations of Paragraph 244 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations, and each cited exhibit speaks for itself. Thus, Samsung lacks knowledge or information sufficient to form a belief as to the truth of the remaining allegations in Paragraph 244, and on that basis, denies them.

245. Samsung incorporates by reference its responses to paragraphs 70-74 as if fully set forth herein. To the extent that the allegations of Paragraph 245 set forth legal conclusions, no response is required. To the extent a response is required, the remaining allegations of Paragraph 245 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations, and each cited exhibit speaks for itself. Thus, Samsung lacks knowledge or information sufficient to form a belief as to the truth of the remaining allegations in Paragraph 245, and on that basis, denies them.

246. Samsung incorporates by reference its responses to paragraphs 75-76 as if fully set forth herein. Samsung lacks knowledge or information sufficient to form a belief as to the truth of the allegations in Paragraph 246, and on that basis, denies them.

247. To the extent that the allegations of Paragraph 247 set forth legal conclusions, no response is required. To the extent a response is required, the remaining allegations of Paragraph

247 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations, and each cited exhibit speaks for itself. Thus, Samsung lacks knowledge or information sufficient to form a belief as to the truth of the remaining allegations in Paragraph 247, and on that basis, denies them.

248. To the extent that the allegations of Paragraph 248 set forth legal conclusions, no response is required. To the extent a response is required, the remaining allegations of Paragraph 248 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations, and each cited exhibit speaks for itself. Thus, Samsung lacks knowledge or information sufficient to form a belief as to the truth of the remaining allegations in Paragraph 248, and on that basis, denies them.

249. To the extent that the allegations of Paragraph 249 set forth legal conclusions, no response is required. To the extent a response is required, the remaining allegations of Paragraph 249 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations, and each cited exhibit speaks for itself. Thus, Samsung lacks knowledge or information sufficient to form a belief as to the truth of the remaining allegations in Paragraph 249, and on that basis, denies them.

250. To the extent that the allegations of Paragraph 250 set forth legal conclusions, no response is required. To the extent a response is required, the remaining allegations of Paragraph 250 are vague, ambiguous, undefined, and/or susceptible to multiple different interpretations. Thus, Samsung lacks knowledge or information sufficient to form a belief as to the truth of the remaining allegations in Paragraph 250, and on that basis, denies them.

251. To the extent that the allegations of Paragraph 251 set forth legal conclusions, no response is required. Samsung otherwise denies the remaining allegations of Paragraph 251.

252. To the extent that the allegations of Paragraph 252 set forth legal conclusions, no

response is required. Samsung otherwise denies the remaining allegations of Paragraph 252.

253. To the extent that the allegations of Paragraph 253 set forth legal conclusions, no response is required. Samsung otherwise denies the remaining allegations of Paragraph 253.

254. To the extent that the allegations of Paragraph 254 set forth legal conclusions, no response is required. Samsung otherwise denies the remaining allegations of Paragraph 254.

255. To the extent that the allegations of Paragraph 255 set forth legal conclusions, no response is required. 261. To the extent that the allegations of Paragraph 261 set forth legal conclusions, no response is required. Samsung otherwise denies the remaining allegations of Paragraph 261.

RESPONSE TO PRAYER FOR RELIEF

To the extent a response is required, Samsung denies the underlying allegations of

Plaintiff's Prayer for Relief against Samsung and denies that Plaintiff is entitled to any relief from this Court, whether sought in Paragraphs A-E of the Prayer for Relief or otherwise. Samsung requests that the Court deny all relief to Plaintiff, enter judgment in favor of Samsung, find that this is an exceptional case under 35 U.S.C. § 285, and award Samsung its attorneys' fees and costs as the prevailing party in this Action.

SAMSUNG'S AFFIRMATIVE AND OTHER DEFENSES

Without admitting or acknowledging that Samsung bears the burden of proof as to any defenses, Samsung specifically alleges and asserts the following defenses, undertaking the burden of proof only as to those defenses that are deemed by law to be affirmative defenses, regardless of how such defenses are denominated below. Samsung reserves all rights to raise additional defenses that become known through the course of discovery.

FIRST DEFENSE **(Failure to State a Claim)**

Plaintiff's Complaint fails to state a claim against Samsung upon which relief can be granted.

SECOND DEFENSE **(Invalidity)**

Each and every claim of the Asserted Patents is invalid for failure to comply with one or more requirements of United States Code, Title 35, including, without limitation, 35 U.S.C. §§ 101, 102, 103, and/or 112.

THIRD DEFENSE **(Non-Infringement)**

Samsung does not infringe and has not infringed, under any theory of infringement, including directly (whether individually or jointly) or indirectly (whether contributorily or by inducement), any valid, enforceable claim of the Patents-in-Suit, either literally or under the Doctrine of Equivalents, and has not committed any acts in violation of 35 U.S.C. § 271.

FOURTH DEFENSE
(Not an Exceptional Case)

To the extent Plaintiff is entitled to any remedy, Plaintiff is not entitled to a finding that this case is exceptional warranting attorneys' fees under 35 U.S.C. § 285, or pursuant to the Court's inherent power.

FIFTH DEFENSE
(No Willful Infringement)

To the extent Plaintiff is entitled to any remedy, Plaintiff is not entitled to a finding that Samsung has engaged in any conduct that constitutes willful infringement or that would otherwise entitle Plaintiff to enhanced damages under 35 U.S.C. § 284.

SIXTH DEFENSE
(Notice, Damages, and Costs)

Plaintiff's claims for damages are statutorily limited under 35 U.S.C. §§ 286 and 287, including based on Plaintiff's failure to mark, including without limitation, to the extent Plaintiff contends there are products covered by the Asserted Patents, Plaintiff's failure to mark its own products with the numbers of the Asserted Patents and/or its failure to require and/or police the marking of Plaintiff's customers and licensees. Plaintiff is barred from recovering costs in connection with this action under 35 U.S.C. § 288. Plaintiff's claims for relief are limited by the doctrines of full compensation, exhaustion, and/or first sale, and Plaintiff is not entitled to a double recovery.

SEVENTH DEFENSE
(Territoriality)

To the extent Plaintiff's claims are directed to acts occurring outside the United States, those claims for relief are barred or limited by the doctrine of territoriality by 35 U.S.C. § 271 et seq., including but not limited to § 271(a).

EIGHTH DEFENSE
(Prosecution History Estoppel and Disclaimer)

Plaintiff's claims are barred, in whole or in part, by the doctrine of prosecution history estoppel, prosecution laches, and/or disclaimer based on statements, representations, and admissions made during prosecution of the patent applications resulting in the Asserted Patents.

NINTH DEFENSE
(Equitable Defenses)

Plaintiff's claims for relief are barred in whole or in part by reason of estoppel, unclean hands, acquiescence, patent misuse, waiver, inequitable conduct, and/or other equitable doctrines.

TENTH DEFENSE
(Lack of Standing)

To the extent Plaintiff does not have substantially all the rights or all the rights to the Asserted Patents, or to the extent the purported assignments of the Asserted Patents, if any, are defective for any reason, Plaintiff lacks standing to bring this action.

ELEVENTH DEFENSE
(Intervening Rights)

To the extent Plaintiff reissues any Asserted Patent, amends any claim thereof, or revives any expired Asserted Patent, Plaintiff's claims for infringement and monetary damages are limited by intervening rights.

TWELFTH DEFENSE
(License)

Plaintiff's claims for infringement are barred to the extent that Samsung was licensed to the Asserted Patents or otherwise authorized to use the Asserted Patents by persons or entities with rights to license.

RESERVATION OF RIGHT TO ASSERT OTHER DEFENSES

Samsung expressly reserves the right to later assert and pursue further defenses in this action.
