

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS
MARSHALL DIVISION**

ICASHE, INC.,

Plaintiff,

V.

SAMSUNG ELECTRONICS CO., LTD.
and SAMSUNG ELECTRONICS
AMERICA, INC.,

Defendants.

§ § § § § § § §

CIVIL ACTION NO. 2:24-CV-00429-JRG

ORDER

Before the Court is the Motion to Stay Pending *Inter Partes* Review (the “Motion”) filed by Defendants Samsung Electronics Co., Ltd. and Samsung Electronics America, Inc. (collectively, “Defendants”). (Dkt. No. 37.) In the Motion, Defendants move “to stay this case until the Patent Trial and Appeal Board (“PTAB”) has concluded *inter partes* review (“IPR”) of the seven Asserted Patents in this case.” (*Id.* at 1.)

Plaintiff iCashe, Inc. (“Plaintiff”) asserts U.S. Patent Nos. 9,122,965; 9,483,722; 11,694,053; 8,403,219; 9,202,156; 9,208,423; and 11,270,174 (collectively, the “Asserted Patents”) against Defendants. (Dkt. No. 1.) Defendants have filed IPR petitions challenging the patentability of all asserted claims of the Asserted Patents. (Dkt. No. 37 at 3.) Defendants expect the PTAB to issue an institution decision on the petitions by October 16, 2025. (*Id.*)

District courts have the inherent power to control their own docket, including the power to stay proceedings. *Clinton v. Jones*, 520 U.S. 681, 706 (1997). How to best manage a court’s docket “calls for the exercise of judgment, which must weigh competing interests and maintain an even balance.” *Landis v. N. Am. Co.*, 299 U.S. 248, 254-55 (1936).

“District courts typically consider three factors when determining whether to grant a stay pending *inter partes* review of a patent in suit: (1) whether the stay will unduly prejudice the nonmoving party, (2) whether the proceedings before the court have reached an advanced stage, including whether discovery is complete and a trial date has been set, and (3) whether the stay will likely result in simplifying the case before the court.” *NFC Tech. LLC v. HTC Am., Inc.*, No. 2:13-cv-1058-WCB, 2015 WL 1069111, at *2 (E.D. Tex. Mar. 11, 2015) (Bryson, J.). “Based on th[ese] factors, courts determine whether the benefits of a stay outweigh the inherent costs of postponing resolution of the litigation.” *Id.*

Where a motion to stay is filed before the PTAB institutes a proceeding, courts often withhold a ruling pending action on the petition by the PTAB or deny the motion without prejudice to refiling in the event that the PTAB institutes a proceeding. *VirtualAgility Inc. v. Salesforce.com, Inc.*, 759 F.3d 1307, 1316 (Fed. Cir. 2014) (citing *Checkfree Corp. v. Metavante Corp.*, 2014 WL 466023, at *1 (M.D. Fla. Jan. 17, 2014)); *see also NFC Techs.*, 2015 WL 1069111, at *6. Indeed, this Court has a consistent practice of denying motions to stay when the PTAB has yet to institute post-grant proceedings. *Trover Grp., Inc. v. Dedicated Micros USA*, No. 2:13-cv-1047-WCB, 2015 WL 1069179, at *6 (E.D. Tex. Mar. 11, 2015) (Bryson, J.) (“This Court’s survey of cases from the Eastern District of Texas shows that when the PTAB has not yet acted on a petition for *inter partes* review, the courts have uniformly denied motions for a stay.”).

Considering these circumstances, the Court concludes that the Motion is premature, and a stay of these proceedings in advance of the PTAB’s institution decision should be denied. Accordingly, the Motion is **DENIED WITHOUT PREJUDICE** to refiling of the same, which shall be permitted within fourteen (14) days following the PTAB’s institution decision.
