Subject: IPR2025-00665: Stanley Black & Decker, Inc. v. Viking Arm AS: Petitioner's Request For Conference Call/Authorization To File Unopposed Motion To Dismiss

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Trials,

Petitioner respectfully requests a conference call with the Board to seek authorization to file: (1) an unopposed motion to dismiss this IPR, and (2) a joint request that the settlement agreement be treated as business confidential information and be kept separate pursuant to 37 C.F.R. § 42.74(c). Petitioner has met and conferred with Patent Owner and Patent Owner does not oppose this motion. The parties are generally available this week to have a conference call with the Board if the Board desires a conference before authorizing these filings, but the parties would prefer a conference tomorrow (Wednesday) or Thursday.

Respectfully submitted,

Ben Kiersz, Counsel For Petitioner
