Your Honors,

On 3/10/2025, Nintendo filed a petition (IPR2025-00680, Paper 1) and a joinder motion (IPR2025-00680, Paper 4), seeking to join IPR2024-00807. Nintendo respectfully requests a conference call with the panel to discuss the management of the proceedings if the Board grants Nintendo's joinder motion and whether it would be beneficial for Nintendo to supplement its joinder motion in view of the following fact. Specifically, Resonant, according to a district court statement that it made on 5/27/2025, is no longer asserting the challenged patent against Apple. This fact strongly favors granting joinder.

Counsel for Nintendo and Resonant are available on 6/3 per the Board's convenience, and we can provide additionally availability in any window that works for the Board.

Respectfully, J. Jason Lang (Lead Counsel for Nintendo).
