Case No. IPR2025-00710  
U.S. Patent No. 10,825,294

---

**PETITIONER'S UPDATED EXHIBIT LIST**

Pursuant to 37 C.F.R. § 42.63(e), Petitioner respectfully submits the following updated exhibit list:

**UPDATED EXHIBIT LIST**

| <b>Exhibit No.</b> | <b>Description</b>                                                                                                                                  |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| 1001               | U.S. Patent No. 10,825,294 to Katz, et al. (“the ’294 Patent”)                                                                                      |
| 1002               | File History of U.S. Patent No. 10,825,294                                                                                                          |
| 1003               | Declaration of Dwight Crevelt                                                                                                                       |
| 1004               | Curriculum Vitae of Dwight Crevelt                                                                                                                  |
| 1005-1007          | RESERVED                                                                                                                                            |
| 1008               | U.S. Patent No. 5,970,143 to Schneier et al. (“Schneier143”)                                                                                        |
| 1009               | U.S. Patent Pub. No. 2003/0078102 to Okita et al. (“Okita”)                                                                                         |
| 1010               | Milestone Entertainment, LLC’s Infringement Contentions, Appendix E                                                                                 |
| 1011-1021          | RESERVED                                                                                                                                            |
| 1022               | Edward Castronova, <i>Virtual Worlds: A First-Hand Account of Market and Society on the Cyberian Frontier</i> , CESifo Working Paper No. 618 (2001) |
| 1023               | Edward Castronova, <i>On Virtual Economies</i> , CESifo Working Paper No. 752 (2002)                                                                |
| 1024               | Richard A. Bartle, <i>Pitfalls of Virtual Property</i> , The Themis Group, (2024)                                                                   |

| Exhibit No. | Description                                                                                                                               |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| 1025        | Elizabeth Kolbert, <i>Pimps and Dragons: How an online world survived a social breakdown</i> 88 (May 28, 2001)                            |
| 1026        | U.S. Patent App. Pub. No. 2003/0114220 to ("McClintic")                                                                                   |
| 1027        | Declaration of Eric E. Lancaster in Support of Petitioner's Unopposed Motion For <i>Pro Hac Vice</i> Admission Under 37 C.F.R. § 42.10(C) |
| 1028        | Declaration of Nyssa Leonardi in Support of Petitioner's Motion For <i>Pro Hac Vice</i> Admission Under 37 C.F.R. § 42.10(C)              |
| 1029-1032   | RESERVED                                                                                                                                  |
| 1033        | Petitioner's Demonstratives                                                                                                               |
