Commission Rule 210.21(a)(1) provides, in relevant part:

Any party may move at any time prior to the issuance of an initial determination on violation of section 337 of the Tariff Act of 1930 to terminate an investigation in whole or in part as to any or all respondents, on the basis of withdrawal of the complaint or certain allegations contained therein. . . . A motion for termination of an investigation based on withdrawal of the complaint . . . shall contain a statement that there are no agreements, written or oral, express or implied between the parties concerning the subject matter of the investigation, or if there are any agreements concerning the subject matter of the investigation, all such agreements shall be identified, and if written, a copy shall be filed with the Commission along with the motion.

19 C.F.R. § 210.21(a).

Infineon Exhibit 2011
Innoscience v. Infineon
IPR2025-00721

I find that the pending motion for partial termination of this investigation complies with the Commission Rules. Specifically, the motion was made before issuance of any initial determination on violation of section 337 and Infineon has certified that “there are no agreements, written or oral, express or implied, between the Parties concerning the subject matter of this Investigation.” Mot. at 3. In addition, there are also no extraordinary circumstances that warrant denying the motion.

Accordingly, it is my initial determination that Motion No. 1414-023 is GRANTED. The investigation is terminated with respect to all asserted claims of U.S. Patent No. 8,264,003 and claim 9 of U.S. Patent No. 9,899,481.

This initial determination is hereby certified to the Commission.

Pursuant to 19 C.F.R. § 210.42(h), this initial determination shall become the determination of the Commission unless a party files a petition for review of the initial determination pursuant to 19 C.F.R. § 210.43(a), or the Commission, pursuant to 19 C.F.R. § 210.44, orders on its own motion a review of the initial determination or certain issues herein.

SO ORDERED.
