1. I am one of the attorneys representing Transcend in the underlying district court case entitled *Truesight Communications, LLC v. Transcend Information Inc.*, filed in the Eastern District of Texas, Case No. 24-cv-00186-JRG (“District Court Case”).

2. The complaint was served on Transcend on May 21, 2024, and Patent Owner Truesight Communications LLC (“Truesight”) served infringement contentions on July 26, 2024 (Ex. 1023), in the District Court Case.

3. On April 22, 2025, the parties notified the judge in the District Court Case that plain and ordinary meaning of the claim terms would be used for the purposes of the case (Ex. 1021).

4. Accordingly, the Court issued a Claim Construction Order (Ex. 1022) and canceled the *Markman* hearing.

5. During the course of the District Court Case, Truesight only produced a total of 23 documents as of July 16, 2025. All of these documents appear to be

publicly available, third-party documents. Half of the pages consist of the patent-in-suit and its file history, and the other half are third-party SD Memory Card specifications.

6. No depositions have been noticed or taken, and no inspections of allegedly infringing code or devices have been performed, in the District Court Case.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. This declaration was executed on July 16, 2025 in San Francisco, California.
