PATENT ASSIGNMENT

This Patent Assignment (this "Assignment") is made as of December 19, 2005 by Steve Shattil and Arnold Alagar, eachand individual and collectively as joint tenants with right of survivorship ("Assignors"), to Aquity LLC, a Delaware Limited Liability Company ("Assignee").

RECITALS

A. Assignors are the owner of the United States Patents set forth on Exhibit A hereto (the "Patents").

B. Assignors now desire to assign to Assignee all of Assignors' right, title and interest in and to the Patents and Assignee desires to receive said assignment.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing premises, and the covenants and agreements in this Assignment, Assignors and Assignee agree as follows:

1. Assignors do hereby sell, transfer, convey, assign and deliver to Assignee all of Assignors' right, title and interest in and to the Patents, including any foreign counterparts, divisions, continuations or reissues thereof, the same to be held by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignors if this Assignment and sale had not been made; together with all claims for damages by reason of past infringements of the Patents, along with the right to sue for and collect such damages for the use and benefit of Assignee and its successors, assigns and other legal representatives.

2. Assignors hereby authorize and request the Commissioner for Patents of the United States, and any officer of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of intellectual property protection or applications as aforesaid, to issue the same to Assignee and its successors, assigns and other legal representatives in accordance with the terms of this instrument.

IN WITNESS WHEREOF, the parties have executed this Assignment on the date first above written.
