ORDER

To enhance the effectiveness of joint Final Pretrial Orders and pretrial objections—and to streamline the pretrial conference—the Court modifies the deadlines in the Docket Control Order. Specifically, the deadlines for filing the joint Final Pretrial Order, motions *in limine*, and pretrial objections are extended by three weeks, and the pretrial conference is likewise rescheduled. The jury selection and trial date will now be set following the pretrial conference. These adjustments are intended to resolve as many issues as possible during pretrial to ensure the trial presentations are fully developed, appropriately disclosed, and efficiently delivered.

IT IS SO ORDERED.

SIGNED this the 17th day of July, 2025.

J. Boone Baxter
UNITED STATES MAGISTRATE JUDGE
