Case No. 7:24-CV-00245-ADA

Jury Trial Demanded

**ORDER GRANTING JOINT MOTION FOR ENTRY OF
AMENDED SCHEDULING ORDER**

Before the Court is the parties' Joint Motion for Entry of an Amended Scheduling Order. Having considered the motion and for good cause shown, the Court **GRANTS** it. Accordingly, the Court enters the following schedule:

Orig. Date	New Date	Event
Wed 1/22/2025		Plaintiff served preliminary ¹ infringement contentions in the form of a chart setting forth where in the accused product(s) each element of the asserted claim(s) are found. Plaintiff also identified the earliest priority date (i.e. the earliest date of invention) for each asserted claim and produced: (1) all documents evidencing conception and reduction to practice for each claimed invention, and (2) a copy of the file history for each patent in suit.
Wed 1/29/2025		Case Management Conference (Deemed to Occur)

¹ The parties may amend preliminary infringement contentions and preliminary invalidity contentions without leave of court so long as counsel certifies that it undertook reasonable efforts to prepare its preliminary contentions and the amendment is based on material identified after those preliminary contentions were served and should do so seasonably upon identifying any such material. Any amendment to add patent claims requires leave of court so that the Court can address any scheduling issues.

If the parties cannot agree, the parties shall submit a separate Joint Motion for entry of Scheduling Order briefly setting forth their respective positions on items where they cannot agree.
