Dear Director Stewart,

Please be advised that the parallel district court litigation in the two above-referenced IPRs was stayed today. A copy of the Court's order staying the parallel case is attached. Please take stay into account in your consideration of the parties' discretionary denial briefing in both of the above-referenced IPRs. In view of the time constraints in the -843 IPR, in which Petitioner's discretionary denial opposition brief was filed on September 2nd, Petitioner respectfully requests that any applicable requirement for prior authorization to submit this additional evidence be waived. Counsel for Patent Owner has been copied on this email.

Best wishes,

James M. Heintz
