Exhibit B

FORM OF PATENT ASSIGNMENT CONFIRMATORY AGREEMENT

PATENT ASSIGNMENT CONFIRMATORY AGREEMENT

THIS PATENT ASSIGNMENT CONFIRMATORY AGREEMENT (the "Agreement"), is made and entered into effective on 20th Oct., 2020 (the "Effective Date"), by and between **Mitsubishi Electric Corporation**, a company organized under the laws of Japan ("Assignor") and **LONGi Green Energy Technology Co., Ltd.**, a company organized under the laws of China ("Assignee") (each a "Party" and collectively the "Parties").

WHEREAS, Assignor is the owner of all rights, title and interest in and to the inventions (the "Inventions") as described and claimed in the United States and foreign patents as listed on Exhibit A hereto (collectively the "Patents"), prior to the entry of a Patent Purchase Agreement between Assignor and Assignee;

WHEREAS, Assignor and Assignee entered into a Patent Purchase Agreement (the "Purchase Agreement") dated 20th Oct., 2020, by and between Assignor and Assignee, the terms of which are incorporated herein by reference; that Assignor thereby sold, transferred, assigned and set over unto Assignee and Assignee thereby accepted, all rights, title and interests in and to the Patents as specified in Patent Purchase Agreement;

NOW, THEREFORE, in consideration of the mutual covenants and agreements of the Parties and pursuant to the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed and confirmed as follows:

I. ASSIGNMENT

1. Effective upon the Effective Date, Assignor hereby sells, transfers, assigns and sets over to Assignee all rights, title and interests (for all countries) in and to the Patents, and all the rights and privileges under any letters patent that may be granted under any continuations, divisions, reissues, reexaminations, renewals and extensions therefor and thereon and all continuations, divisions, reissues, reexaminations, renewals and extensions thereof; and all applications for industrial property protection, including without limitation, all applications for patents, utility models, copyright, and designs which may hereafter be filed for said Inventions and Patents in any country or countries, together with the right to file such applications and the right to claim for the same the priority rights derived from the Patents under the patent laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial

property protection, including, without limitation, patents, utility models, inventors' certificates, copyrights and designs which may be granted for said Patent in any country or countries and all extensions, renewals and reissues thereof.

2. Assignor authorizes and empowers Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for the Inventions, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable, and to invoke and claim such right of priority without further written or oral authorization from Assignor.

3. Assignor hereby consents that a copy of this Agreement shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document that may be required in any country for any purpose and more particularly to show proof of the right of Assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, or any applicable international agreement or the domestic laws of the country in which any such application is filed.

4. All of the rights, title and interests in and to the Patents sold, transferred, assigned and set over to Assignee hereunder include without limitation all income, royalties, damages and payments now or hereafter due or payable with respect thereto, and all causes of action (whether in law or equity) and the right to sue, bring any claim or counterclaim, and recover for any and all past, present and future infringement of the rights assigned or to be assigned hereunder; and all right to assign, transfer, license, sublicense to whomever LONGi so chooses in its sole discretion.
