(September 12, 2022)

Pursuant to Order No. 5 (Sept. 22, 2021), the target date in this investigation was set to Monday, January 16, 2023, which is approximately 17 months from the date of institution. *See* Comm’n Notice, EDIS Doc. undersigned's obligations in other investigations.² Accordingly, the target date shall be extended by six weeks to Monday, February 27, 2023. Pursuant to Commission Rule 210.42(a)(1)(i), the final initial determination shall be issued by Thursday, October 27, 2022.

Because the new target date is more than 16 months from the date of institution, this order is being issued as an initial determination pursuant to Commission Rule 210.51(a)(1). 19 C.F.R. § 210.51(a)(1). Pursuant to Commission Rule 210.42(h), this initial determination shall become the determination of the Commission unless a party files a petition for review of the initial determination pursuant to Commission Rule 210.43(a), or the Commission, pursuant to Commission Rule 210.44, orders, on its own motion, a review of the initial determination or certain issues contained herein. 19 C.F.R. § 210.42(d).
