Inv. No. 337-TA-1331

ORDER NO. 40: INITIAL DETERMINATION EXTENDING TARGET DATE

(September 19, 2023)

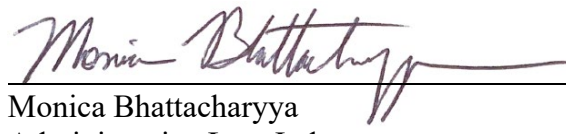

Pursuant to Order No. 5, the target date in this investigation was set for Monday, January 22, 2024. Order No. 5, EDIS Doc. ID 782693, at 1 (Oct. 20, 2022). The current deadline for the issuance of an initial determination on violation is Friday, September 22, 2023. *Id.* at 1-2.

The undersigned will require additional time to finalize the initial determination on violation in this investigation. Pursuant to Commission Rule 210.51(a), the target date “can be modified by the administrative law judge for good cause shown.” 19 C.F.R. § 210.51(a). There is good cause for an extension because of the complexity of this investigation, which involves five asserted patents, multiple product categories, and numerous disputed issues with respect to infringement, invalidity, and unenforceability. In addition, the drafting of the final initial determination has been affected by the undersigned’s obligations in other investigations. Accordingly, the target date shall be extended by approximately four weeks to Tuesday, February 20, 2024. Pursuant to Commission Rule 210.42(a)(1)(i), the final initial determination shall be issued by Friday, October 20, 2023.

Because the new target date is more than 16 months from the date of institution, this order is being issued as an initial determination pursuant to Commission Rule 210.51(a)(1).

19 C.F.R. § 210.51(a)(1). Pursuant to Commission Rule 210.42(h), this initial determination shall become the determination of the Commission unless a party files a petition for review of the initial determination pursuant to Commission Rule 210.43(a), or the Commission, pursuant to Commission Rule 210.44, orders, on its own motion, a review of the initial determination or certain issues contained herein. 19 C.F.R. § 210.42(d).

SO ORDERED.

A handwritten signature in dark ink, appearing to read "Monica Bhattacharyya", is written over a horizontal line.
