ORDER NO. 66: INITIAL DETERMINATION EXTENDING TARGET DATE

(January 13, 2025)

Pursuant to Order No. 5, the target date in this investigation was set for May 20, 2025. Order No. 5, EDIS Doc. ID 812241 at 1 (Jan. 19, 2024). The deadline for the issuance of an initial determination on violation was January 17, 2025. *Id.*

The undersigned will require additional time to finalize the initial determination on violation in this investigation. Pursuant to Commission Rule 210.51(a), the target date “can be modified by the administrative law judge for good cause shown.” 19 C.F.R. § 210.51(a). There is good cause for an extension because of the complexity of this investigation and issues raised by the parties, delays due to the parties’ correction of the record and the need for the parties to submit corrected briefs to correct citations to the revised and corrected transcript, *see* Order Nos. 64 and 65, and the need for the parties to resubmit certain exhibits in different file formats for review. Accordingly, the target date shall be extended by approximately three weeks to June 9, 2025. Pursuant to Commission Rule 210.42(a)(1)(i), the final initial determination shall be issued by Friday, February 7, 2025.

Because the new target date is more than 16 months from the date of institution, this order is being issued as an initial determination pursuant to Commission Rule 210.51(a)(1). 19 C.F.R. § 210.51(a)(1). Pursuant to Commission Rule 210.42(h), this initial determination

shall become the determination of the Commission unless a party files a petition for review of the initial determination pursuant to Commission Rule 210.43(a), or the Commission, pursuant to Commission Rule 210.44, orders, on its own motion, a review of the initial determination or certain issues contained herein. 19 C.F.R. § 210.42(d).

SO ORDERED.
