Dear Mark, Chuck, Hassan, Tom and Luke:

It is with great pleasure that I write to give you details on your participation in the 2018 Life Science Tennessee Venture Forum during the LST|CON conference on Thursday, November 15. The 2018 Venture Forum class is:

- Luke Benda, Healing Innovations
- Hassan Almoazen, Iono Pharma
- Tom Sullivan, Anytime Pediatrics
- Chuck Haines, IDBiologics
- Mark Johnson, NewtonRFID

The Venture Forum and your pitch will be on Thursday, November 15, between 4 – 5:30 p.m. Each company will have 10 minutes to present, followed by five minutes of Q&A from the judges panel. You should be prepared to present via a PPT presentation. Please provide your presentation to Danielle Johnson djohnson@lifesciencetn.org by Monday, November 12.

To date the judges panel includes:

- Bob Crutchfield, ACS BrightEdge Venture Fund
- Eller Mallchok, JumpStart Foundry
- Rob Readnour, Mountain Group Partners

The session will be moderated by Hunter Rost of Waller Lansden Dortch & Davis, LLP.

After the presentations the judges will deliberate and determine a winner. You will then be given the opportunity to see the judges feedback forms and connect with the judges after the Forum.

If you have any questions over the coming days, please do not hesitate to contact me.

You have developed an exciting new company and are among the best of Tennessee's emerging life sciences companies. We appreciate your participation in this forum and we look forward to the opportunity learn more about your company

Each of you will be given one complementary pass to the conference. You are invited to participate in the sessions and opportunities at the conference all day. You can see the full schedule [here](#). You can receive that pass, by emailing Danielle at the email above.

If you would like more information or have questions, please contact me or Jim Monsor at jmonsor@lifesciencetn.org.

Best of luck,

Abby Trotter
