ORDER NO. 33: INITIAL DETERMINATION EXTENDING TARGET DATE

(June 18, 2025)

Pursuant to Order No. 6, the target date in this investigation was set for October 23, 2025. Order No. 6 at 1 (June 25, 2024). The deadline for the issuance of an initial determination on violation was Monday, June 23, 2025. *Id.*

The undersigned will require additional time to issue the initial determination in this matter. Pursuant to Commission Rule 210.51(a), the target date “can be modified by the administrative law judge for good cause shown.” 19 C.F.R. § 210.51(a). There is good cause for an extension because the drafting of the final initial determination has been affected by the undersigned’s obligations in other investigations and the need to reopen the record to admit joint exhibits which were not formally received into evidence. *See* EDIS Doc. ID 854200 (Joint Mot. to Reopen Record). Accordingly, the target date shall be extended by approximately four weeks to November 18, 2025. Pursuant to Commission Rule 210.42(a)(1)(i), the final initial determination shall be issued by July 18, 2025.

Because the new target date is more than 16 months from the date of institution, this order is being issued as an initial determination pursuant to Commission Rule 210.51(a)(1). 19 C.F.R. § 210.51(a)(1). Pursuant to Commission Rule 210.42(h), this initial determination shall become the determination of the Commission unless a party files a petition for review of the initial determination pursuant to Commission Rule 210.43(a), or the Commission, pursuant to Commission Rule 210.44, orders, on its own motion, a review of the initial determination or certain issues contained herein. 19 C.F.R. § 210.42(d).

SO ORDERED.

Administrative Law Judge
