CLAIM CONSTRUCTION ORDER

The Court provided preliminary claim constructions on June 22, 2025 for U.S. Patent No. 10,601,780. The parties then elected to submit all claim construction disputes on the briefs. After careful consideration of the parties' briefs (ECF Nos. 34, 37, 39, 40), the parties' Joint Claim Construction Statement (ECF No. 42), Defendant's Notice of Supplemental Authority (ECF No. 46), and the applicable law, the Court enters its final constructions for each term as shown below:

Claim Term	Court's Final Construction
"network isolation" '780 Patent, Claims 1, 11	restrict network communications
"computer system" '780 Patent, Claims 1, 3, 7, 10, 11, 13, 17, 20	No construction necessary. Plain and ordinary meaning.
"host system" '780 Patent, Claims 1, 3, 7, 10, 11, 13, 17, 20	No construction necessary. Plain and ordinary meaning.
"an internal firewall is configured to separate the host system from the virtual system" / "separating the host system from the virtual system using an internal firewall" '780 Patent, Claims 1, 11	"an internal firewall that restricts access to host resources by the virtual system and limits operations initiated by the virtual system" / "restricting access to host resources by the virtual system and limiting operations initiated by the virtual system"

“a host-based firewall executed on the computer system” ’780 Patent, Claims 1, 11	No construction necessary. Plain and ordinary meaning.
“the device comprises a processor and a memory configured to implement network isolation between one or more untrusted network destinations and the networked computer system.” / “implementing network isolation, between one or more untrusted network destinations and the networked computer system, via the at least one device.” ’780 Patent, Claims 1, 11	No construction necessary. Plain and ordinary meaning.

SIGNED this 23rd day of June, 2025.
