

**UNITED STATES INTERNATIONAL TRADE COMMISSION
WASHINGTON, D.C.**

**Before The Honorable Monica Bhattacharyya
Administrative Law Judge**

In the Matter of

Inv. No. 337-TA-1359

**CERTAIN PORTABLE BATTERY JUMP
STARTERS AND COMPONENTS
THEREOF (II)**

**DECLARATION OF JEFFREY L. RAVENCRAFT
OF
USB IMPLEMENTERS FORUM, INC.**

I, Jeffrey L. Ravencraft, of USB Implementers Forum, Inc. (“USB-IF”), declare as follows:

1. I am President and COO of the USB Implementers Forum, Inc. (“USB-IF”) which owns and operates the website, www.USB.org. The USB-IF is a non-profit corporation that is the support organization and forum for the advancement, adoption, and promotion of USB technology as defined in the USB specifications.

2. I have been President and COO of USB-IF since 2010; and prior to that, I was Chair of the Board of USB-IF for approximately eight years. Throughout the course of my roles with USB-IF, I have become well informed about the operations of the USB- IF, including how the USB-IF publishes versions of the Universal Serial Bus specifications on its website at www.USB.org. I have personal knowledge of the matters set forth herein, or I have knowledge of the matters set forth herein based on my review of the corporate records of USB-IF and my knowledge of USB-IF’s operations and practices, and if I am called upon to testify, I could testify competently thereto.

3. The USB-IF routinely publishes new versions of Universal Serial Bus specifications on www.USB.org, as well as press releases and other informational materials and webpages regarding USB standards and specifications.

4. Each major version, errata and engineering change notice (ECN), or other supplement to the Universal Serial Bus specification is published on www.USB.org, along with a corresponding publishing date, both in the document and as shown on the website at www.USB.org. The publishing date generally corresponds to the approximate date that the document was actually made available for download to the public on www.USB.org.

5. Attached as Exhibit A is a true and accurate copy of the Universal Serial Bus Power Delivery Specification (Revision 1.0 Including Errata through 26-June-2013 (Version 1.2)) that was released and made available to the public on or about June 26, 2013. USB-IF is aware that members of the public could freely access, and in fact did access and download, this document before July 3, 2014.

6. Attached as Exhibit B is a true and accurate copy of the Universal Serial Bus Power Delivery Specification - Revision 1.0 Including Errata through 11-March 2014 (Version 1.3) that was released and made available to the public on or about March 11, 2014. USB-IF is aware that members of the public could freely access, and in fact did access and download, this document before July 3, 2014.

7. Attached as Exhibit C is a true and accurate copy of the USB Power Delivery webpage (available at <https://web.archive.org/web/20130806043225/http://www.usb.org/developers/powerdelivery/>) as it was published and available to the public on the USB-IF website on or about August 6, 2013.

USB-IF is aware that members of the public could freely access this document before July 3, 2014.

8. Attached as Exhibit D is a true and accurate copy of the Battery Charging Specification, March 8, 2007 that was released and made available to the public on or about March 8, 2007. USB-IF is aware that members of the public could freely access, and in fact did access and download, this document before July 3, 2014.

9. Attached as Exhibit E is a true and accurate copy of the Battery Charging Specification - Revision 1.1, April 15, 2009 that was released and made available to the public on or about April 15, 2009. USB-IF is aware that members of the public could freely access, and in fact did access and download, this document before July 3, 2014.

10. Attached as Exhibit F is a true and accurate copy of the Battery Charging Specification - Revision 1.2 - December 7, 2010 that was released and made available to the public on or about December 7, 2010. USB-IF is aware that members of the public could freely access, and in fact did access and download, this document before July 3, 2014.

11. Attached as Exhibit G is a true and accurate copy of the Battery Charging Specification (including errata and ECNs through March 15, 2012) - Revision 1.2, March 15, 2012 that was released and made available to the public on or about March 15, 2012. USB-IF is aware that members of the public could freely access, and in fact did access and download, this document before July 3, 2014.

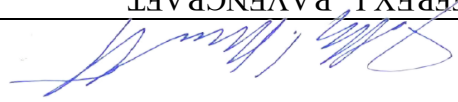

12. Attached as Exhibit H is a true and accurate copy of the USB Battery Charging 1.2 Compliance Plan - Revision 1.0, October 12, 2011 that was released and made available to the public on or about October 12, 2011. USB-IF is aware that members of the public could freely access, and in fact did access and download, this document before July 3, 2014.

13. Attached as Exhibit I is a true and accurate copy of the Battery Charging

Specification - Revision 1.2, October 12, 2011 that was released and made available to the public on or about October 12, 2011. USB-IF is aware that members of the public could freely access, and in fact did access and download, this document before July 3, 2014.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my knowledge.

Dated this 27th day of October, 2023.

JEFFREY L. RAVENCRAFT
