Dear Ben

**Federal Court Appeal NSD1561/2023 Metso Sweden AB v FLSmidth A/S
Our Ref: L79082**

We refer to the above referenced proceedings.

We are instructed to reach out to you to ascertain your client's interest in pursuing a settlement of these proceedings on the basis of a cross licensing arrangement. In broad terms, FLSmidth would grant Metso a worldwide licence in its Roller Mill and Method for Operating a Roller Mill patent family (ie AU2018264756), and in return, Metso would grant FLSmidth a worldwide licence in its Fluid Bearings patent family (ie US9,518,604).

If your client is interested to pursue further discussions on the basis of such terms, please advise whether your client would prefer to discuss the settlement directly with the team at FLSmidth, or whether we should continue the negotiations between our firms.

We look forward to hearing from you.

Yours faithfully
