CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Honorable Board,

The parties write to apprise the Board of the dismissal of all claims and counterclaims asserting or challenging U.S. Patent No. 8,863,319 (the “319 Patent”) from BrainGuard Technologies, Inc. v. Revelyst Sales LLC, Case No. 8:24-cv-2652 (C.D. Cal.). The 319 Patent is subject to IPR2025-01029. Additionally, the 319 Patent is listed as related because it is a family member of patents subject to the following IPRs: IPR2025-01030, IPR2025-01031, IPR2025-01032 and IPR2025-01033. If the Board so instructs, Patent Owner will file the order of dismissal from BrainGuard v. Revelyst as an exhibit in the above-referenced matters.

Should the Board desire a teleconference, the parties can be generally available for one at the Board’s convenience.

Regards,

David Schumann (Lead Counsel for Patent Owner)
Folio Law Group PLLC
