Subject: IPR2025-01036 -- Patent Owner General Video's Request for Discretionary Denial

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Board:

On August 11th, Patent Owner General Video (“GV”) filed its discretionary denial brief in this IPR with the Board (though the brief is not due until August 25th). As GV was filing that brief, the court in one of the parallel litigations involving challenged USPN 9,036,010 (*General Video, LLC v. Lenovo Group Limited*, Case No. 5-24-cv-00122 (E.D. Tex.)) issued a decision dismissing the case for lack of personal jurisdiction. GV’s filed discretionary denial brief included statements that the Lenovo case is active and that the motion to dismiss is pending, which statements were rendered no longer accurate by the concurrent issuance of the Court’s decision.

Accordingly, GV respectfully asks the Board for permission to file a corrected discretionary denial brief by the August 25th deadline that is edited to account for the dismissal of the parallel Lenovo Case. Petitioners do not oppose GV’s request.

If the Board believes a call is necessary, counsel for the parties are available on the following dates and times: Wednesday (8/20) before 11:15am CT or Monday (8/25) before 1pm CT and after 2pm CT.

Regards,
