Hello Eman,

I wanted to follow up to confirm if you would be available either this week or early next week to discuss the DisplayPort License. We wanted to get Dell's feedback regarding possible changes to the agreement, so just let me know what works for you and I'll make the appropriate arrangements.

I look forward to hearing from you soon.

Best regards,
Ryan

Hello Eman,

I hope that you're doing well.

I wanted to find out when you would be available this week to discuss a few items regarding our DisplayPort License. Just let me know what works best for you and I will arrange a Zoom or Teams call, whichever you prefer.

Best regards,
Ryan
